## Projects

### Legacy Of Time

- Legacy of Time is a 3D/AR website that showcases India's historical monuments and their transformations over time.
- It blends culture, technology, and learning to make history engaging for students
- Offers a chronological perspective, visually illustrating the monument

### 3D simulation of the solar

- 3D solar system with Sun and 8 planets (Mercury to Neptune).
- Real-time speed control for each planet via sliders.
- Pause/resume animation functionality.

---
